

Bridging The Gap provides a temporary contact for a person coming out of treatment or jail. The temporary contact takes the person to a few AA meetings and introduces them to other AA members, explains different types of meetings and introduces them to AA literature.

I am currently up-dating the Bridging The Gap (BTG) call list. Since AA Meetings started up in the Cherokee County jail, there has been a need for contacts throughout District 80. Many times inmates are held there from other nearby counties.

We all know how hard it was to get to that first meeting. Many of us had to be taken.

There is an interesting and informative article in the April issue of the [AA Grapevine](#) on Bridging the Gap.

There is an AA pamphlet entitled "Bridging The Gap" which can be downloaded from the web site that will give you additional information.
