AA's PREAMBLE

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership, we are self supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Open Meetings: Open meetings may be attended by anyone. We ask that all who participates confine their discussion to their problems as they relate to alcoholism.

Closed Meetings: Attendance at closed meetings is limited to persons who have a drinking problem and a desire to stop drinking.
